VISION & MISSION

VISION

To be the leading distributor of high-quality, sustainable food products, connecting diverse markets with innovative solutions and fostering a healthier, more connected distribution ecosystem.

MISSION

Our mission is to deliver exceptional food distribution services by prioritizing quality, efficiency, and sustainability.

We are committed to providing a broad range of premium food products, sourced responsibly and distributed seamlessly, to meet the needs of our clients and their customers.

PRODUCTS FROM MALAYSIA

MALAYSIAN FRESH FARMED CHICKEN

Nestled in the heart of Malaysia, our chicken farms stand as a beacon of excellence in poultry farming. We are dedicated to bringing you the finest chickens that embody the rich heritage and unparalleled quality of Malaysian agriculture.

Innovation is at the core of our business. We continuously seek new ways to enhance our farming techniques and product offerings. Our research and development team works tirelessly to incorporate traditional Malaysian spices and herbs into our chicken feed, resulting in an unparalleled taste that sets us apart.

We offer fully furnished products such as whole chicken and all types of chicken cuts.

MALAYSIAN HERBS & SPICES

We are dedicated to celebrating and sharing the vibrant flavors of Malaysian cuisine with the world. As a premier provider of authentic Malaysian spices, we bring the rich heritage and diverse culinary traditions of Malaysia to your kitchen, ensuring that every meal is a delicious journey.

Our journey began with a commitment to sourcing the finest, high-quality spices from across the country and blending them into exquisite spice blends that capture the essence of Malaysia.

We are committed to sustainability and ethical sourcing. Our partnerships with local farmers and suppliers are built on mutual respect and fair trade principles. By supporting sustainable farming practices and minimizing our environmental impact, we aim to contribute positively to both the local communities and the global environment.

PRODUCTS FROM JAPAN

JAPANESE WAGYU BEEF (WHOLE COW)

Discover an extraordinary culinary experience with our exclusive selection of Halal-certified Japanese Wagyu beef.

Sourced from Japan's most prestigious regions:

- Miyazaki A5
- Tokushima A4 & A5
- Omi Gyu A5
- Hida Gyu A5

Each whole cow is masterfully cut into 16 exquisite blocks, preserving the rich marbling, tenderness, and delicate flavors Wagyu is renowned for. Elevate your dining moments with the world's most luxurious beef.

PRODUCTS FROM NEW ZEALAND

NEW ZEALAND KING SALMON

New Zealand King Salmon is one of the most nutritious seafood options available. Rich in long chain Omega-3 — these fatty acids (EPA and DHA) are the ones responsible for improving heart health, lowering the risk of macular degeneration and a myriad of benefits for brain development.

High in Selenium, Vitamins A and D, our King Salmon also has a very low carbon footprint making this a fantastic choice for our diets. King Salmon is part of the *Oncorhynchus*, or Trout family, and is distinct from Atlantic Salmon (*Salmo Salar*).

King Salmon has a richer flavour with better oil content so less likely to dry out in cooking, whilst also being a superior choice for sashimi.

NEW ZEALAND BLUE ABALONE (HALIOTIS IRIS)

New Zealand blue abalone has a bright blue shell that contains black outer and white inner flesh.

Tender with a meaty texture and excellent taste, the abalone is naturally farmed using the pristine, clear waters of New Zealand's Bream Bay.

Grown to a consistent size and purged (not fed) for four days prior to harvest.

NEW ZEALAND WILD ABALONE (HALIOTIS IRIS)

New Zealand Abalone or Blackfoot Paua (*Haliotis iris*) is unique to New Zealand and has a rocky shell with a stunning multicoloured interior featuring blue and green hues.

The internal flesh is white with a black pigment layer which is prized for its tenderness and umami flavour.

The abalone are hand harvested sustainably by a team of experienced divers from New Zealand's pristine southern coastline

NEW ZEALAND OYSTERS (CRASSOSTREAGIGAS)

New Zealand Pacific Oysters (sp. *Crassostrea Gigas*) are deep shelled and evenly shaped producing plump meat and fresh, crisp flavours with a sweet creamy finish.

They are farmed naturally in harbours throughout New Zealand's Northland, Hauraki Gulf and Marlborough Sounds.

These specially selected sites contain cool, pure nutrient rich waters that grow a distinctly flavoured Oyster perfectly suited for raw/sashimi consumption.

NEW ZEALAND LOBSTER

Sourced from Port Nicholson – a collective of over 26 Maori tribes around Aotearoa/New Zealand

The prized lobster (*Jasus edwardsii*) has a deep red to vibrant orange shell containing firm white flesh that has a delicate, sweet and rich taste.

Harvested live in pots from pristine sub-Antarctic, coastal waters throughout New Zealand, the lobster are quickly flown live to markets around the world.

NEW ZEALAND BEEF

New Zealand beef is renowned for its high quality, particularly its grass-fed nature, leading to a lean, flavorful, and tender product

We offer various cuts of beef, ensuring high-quality meat products that meet international standards.

Products offered:

carcasses - forequarter & hind quarter

whole bone cuts - striploin, tenderloin, brisket, ribs, rump, etc

HERBIVORE COCONUT BUTTER

Herbivore is a premium plant-based butter – made from natural coconuts.

Herbivore is made from a base of coconut oil to deliver a world class, sustainable, allergen-free product with a significantly lower carbon footprint than traditional dairy butter.

Dairy Free, Allergen Free, Keto, non-GMO, Vegan, Gluten Free.

Spreadable, Bakeable, Cookable, Sauceable and Basteable.

NEW ZEALAND PURE DESI GHEE

Premium New Zealand-made Pure Desi Ghee. With its exceptional quality and distinctive characteristics, this Ghee is sure to elevate your culinary creations.

It is proudly made in New Zealand, renowned for its pristine landscapes and commitment to high-quality dairy production.

Non-GMO Assurance, Rich & Creamy and Sustainable Sourcing.

MANUKA HONEY

NEW ZEALAND HONEY CO.

Authentic, certified New Zealand Manuka Honey for beauty, immunity & vitality.

New Zealand Honey Co. leverages on their beekeeping heritage to source only the highest quality Manuka Honey, and is one of the Top 3 manuka honey brands on Amazon.

The Manuka Honey comes in multiple sizes and packaging that stands out on shelf.

DAIRY PRODUCTS

LEWIS ROAD CREAMERY

Lewis Road Creamery is a NZ based company which produces premium health-giving dairy products to consumers seeking “value for money”

Products offered:

- WHOLE MILK POWDER
- PURE GRASS FED BUTTERS
- PREMIUM GRASS FED SPREADABLE BUTTER
- PREMIUM CHEESES
- BUTTER
- CHEESE
- FLAVOURED MILKS
- WHITE MILKS
- COMFORT MILK - EASIER TO DIGEST
- SUPER PREMIUM ICE CREAM
- PREMIUM CHEESE & PURE CLOVER HONEY

NEW ZEALAND PREMIUM APPLE JUICE

Apple juice which is sustainable utilising the leftover “ugly fruit” from nearby Hawke’s Bay orchards (ugly fruit are those cosmetically blemished beauties that others don’t want).

This beautiful beverage is delicious on its own or poured over your favourite scoop of vanilla bean ice cream, it's safe to say the Dish team are already hooked on this juicy goodness.

PRODUCTS FROM AUSTRALIA

AUSTRALIAN BEEF

Recognised globally for its exceptional quality, Australian Beef is raised on vast, open pastures and nurtured in one of the world's cleanest, most sustainable environments.

Known for its rich marbling, succulent texture, and distinctive, natural flavour, Australian Beef offers a superior dining experience.

With strict industry standards ensuring consistency, safety, and full traceability, it is the preferred choice for premium restaurants, gourmet retailers, and discerning chefs around the world.

FRESH PRODUCE

We are dedicated to delivering the finest fresh produce straight from the heart of Australia to your table and share the vibrant, natural flavors of Australia with the world, ensuring that every bite reflects our commitment to quality, sustainability, and innovation.

We offers a diverse range of fresh fruits and vegetables, from classic favorites like crisp apples and juicy oranges to exotic varieties unique to Australia.

Our product line also includes organic options and specialty items, catering to a wide range of preferences and dietary needs. Each product is carefully harvested at the peak of its flavor and delivered to you with the utmost care.

Products offered:

Australian Plum, Orange, Banana, Apple, Mango, Peach, Potato & Pears

AUSTRALIAN HONEY

We believe that exceptional honey starts with exceptional care. Our philosophy revolves around maintaining the highest standards of purity and sustainability. We carefully manage our hives, ensuring that our bees are healthy and well-cared for, which in turn produces honey that is rich in flavor and beneficial to your health.

Our honey is unprocessed and unfiltered, preserving all the natural goodness and nutrients that make honey so special.

We are committed to providing only pure, 100% natural and sustainably produced products from Western Australia's most pristine forests.

Products offered:

Red Gum Honey, Mallee Honeycomb, Blackbutt Honey, Jarrah Honey & Red Gum Honeycomb

PRODUCTS FROM VIETNAM

VIETNAM FRESH PRODUCE

Connecting you with the finest Vietnamese food products including fresh produce, seafood, dry goods, and meats, to meet the needs of businesses and consumers seeking authentic and exceptional ingredients.

We believe that quality starts with careful selection and meticulous handling. Our philosophy revolves around authenticity, sustainability, and exceptional service. We partner with local farmers, seafood producers, and meat suppliers who share our commitment to delivering products that are fresh, flavorful, and responsibly sourced.
